#### Trustees' Report for the Year Ended 31 March 2023

The trustees present their report and financial statements for the year ended 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and accounting and reporting by charities. Statement of recommended practice applicable to charities preparing their accounts in accordance with the financial reporting standards applicable in the UK and Republic of Ireland (FRS102) (effective1st January 2021).

#### 1. Structure, Governance and Management

#### a Structure

The organisation is a company limited by guarantee and registered as a charity by the Charity Commission.

#### b Governance

The organisation is overseen by a Management Board which consists of the Trustees (who are also company directors) and staff representatives. Only the Trustees can vote at Management Board meetings with the remaining members acting in an advisory capacity.

The Management Board meets every eight weeks with decisions taken collectively although they do not have to be unanimous.

The Chair of Trustees has delegated power to work with the Chief Executive Officer between Board Meetings when time constraints require decisions to be taken. Whenever possible this will be done in conjunction with the Vice Chair and or Treasurer. All decisions taken in this manner are ratified at the next Board Meeting.

There shall be a minimum of three trustees but no maximum. At each AGM a third of trustees are required to retire by rotation.

The Chief Executive Officer is also the Company Secretary.

#### c Management

The Chief Executive Officer is in operational control over all the activities of the charity this includes dealing with all fundraising and grant applications and monitoring.

Support is provided by the Office Manager who deals with administration, training and finances.

Assistance is provided to the management by the Chair and other Trustees on specific areas of expertise such as volunteer training, finance, media relations, recruitment, policies and contract meetings.

#### d Risk Assessment

It is important to keep fundraising to make up the shortfall for the next 12 months, but to also have a financial plan for the continuation of funding for 2024-2027.

The organisation works to a volunteer recruitment and retention strategy which has made a big difference to the organisation of recruitment this year. Whilst the Covid-19 crisis from 2020 -2022 continued to impact on this we have still been able to recruit new volunteers, and maintain a good level of engagement. The Trustees continue to ensure there is a clear plan going forward that will have a staffing and system structure that will support our development and growth.

#### 2. Objectives and Activities

#### a Objectives

The Charity's objects are:

To relieve families in Cumbria with children up to nineteen years old who are in conditions of need, hardship or distress.

#### Trustees' Report for the Year Ended 31 March 2023

#### b. Activities

In order to meet these objectives the Charity undertakes the following activities:

- We have also provided individual work with children to find out from them what it is like to live in their world and what they would like to change. This work has been instrumental in including the child's voice in the way we work with parents in achieving positive outcomes for children.
- Keeping all of our work child focused and evidence the outcomes for children and young people.

#### 3. Achievements and Performance

#### Trustees' Report for the Year Ended 31 March 2023

#### 4. Financial Review

#### a. Income

The movement during the year can be summarised as follows:

	£
Income 2022	390,209
National Lottery Community Fund	47,563
Other grants	37,791
SENDAC Finance	(30,726)
Frances C Scott	30,000
Cumbria County Council COMF grant	(50,000)
My Own Guide Project	(17,047)
Children in Need	(9,445)
Frieda Scott Charitable Trust	(9,032)
Other grants and income	(11,671)
Income 2023	377,642

New funding obtained for the 2022-23 year included grants from Allerdale GDF Community Partnership, Postcode Neighbourhood Trust, Frances C Scott Trust, Frieda S Scott Trust. Alongside this was a further year contract with Cumbria County Council for targeted family support and continuation funding from National Lottery Community Fund, BBC Children in Need and the Henry Smith Charity.

#### b Expenditure

The movement during the year can be summarised as follows:

	£
Expenditure 2022	349,252
Staff costs	(27,683)
Other costs	(777)
Expenditure 2022	320,792

Wages and salaries and pension costs have decreased due to additional temporary Family Support staff funded through additional COMF funding from Cumbria County Council in 2022 not being repeated in 2023 and long serving staff members leaving the organisation and successors starting on lower salary scales. Family expenses costs have been funded from specific grants while staff and volunteer expenses have remained relatively static. SENDAC costs are fully funded.

### c Restricted Funds

The restricted funds cover a range of Family Support and Contact Centre delivery across the three districts of Carlisle, Eden and Allerdale. In addition funds held on behalf of SENDAC are treated as a restricted reserve.

#### d Total Funds

The total funds have increased by £56,850.

#### 5. Reserves

The Charity's policy on reserves is to hold at least three months running costs in free reserves. Free reserves are calculated using the unrestricted funds and making allowance for any potential closure costs. These potential closure costs amounted to £49,259 at 31 March 2023 and these funds have been designated as a contingency fund. Free reserves at 31 March 2023 were £189,246 representing approximately seven months' running costs.

#### Trustees' Report for the Year Ended 31 March 2023

#### 6. Training

Staff and volunteers have taken part in the CSCP and/or County Council funded courses including:

- a. Signs of Safety
- b. Reduced Parental Conflict
- c. Early Help
- d. Safeguarding (formal courses, briefing and the annual County Safeguarding Practice week).

Staff members also attended the Practitioner Forums.

We continue to hold Practice Development meetings to keep up to date with current practice and legislation, and support these with the implementation of our Quality Standards.

We held a volunteer development and celebration event in June 2023 which included learning and development in relation to parental conflict, and experiencing the benefits of 'Drumming Circles'.

Staff and volunteers have attended training in Family Links Parenting programmes, funded by Eden, Carlisle and Allerdale Local Committees.

We have delivered in house training in relation to improving our support offer to harder to help families, exploring the challenges of ' ending support', and 'Trauma informed practice'.

Staff have also attended other external courses for Outcome Star, Charity Log, and NACCC Coordinator's refresher training.

#### 7. Volunteers

Approximately 30 home based support volunteers matched at any one time at 2.5 hours x 40 weeks provided the organisation with 3000 hours of support.

We have also delivered over 250 hours of Contact Centre sessions, each being supported by volunteers, equating to over 350 hours of contact centre volunteer time.

Trustees have attended Board meetings each lasting 2 hours and held every 8 weeks plus supported other events (AGM, Development Sessions, Recruitment of Staff etc). This would equate to Trustees providing the Board with over 200 hours of expertise and governance.

#### 8. Future Events

The Charity has delivered a further year of work through the County Council Targeted Support Contract. We are now in a single year contract with the new Local Authorities Cumberland Council and Westmorland & Furness Council and this has the opportunity of a further years extension.

During 2021-22 we continued to develop and deliver our work in Allerdale. Alongside this we have extended the reach of our Family Support Workers; workers have supported an additional 70 families with over 100 children benefitting from this.

The coming year 2023-24 will bring unique challenges as well as opportunities. We are seeing continued increases in referral rates and complexities for families. This will mean we need to not only maintain our funding and therefore service delivery options, but to look to increase our capacity to support families.

There is an appropriate organisational structure in place to support current activities, but in order to further develop services and build on both success to date we are reviewing the structure, and roles of the team. The aim is to improve managerial oversight and support and allow the Chief Officer to have greater capacity for strategic work and fundraising.

## Trustees' Report for the Year Ended 31 March 2023

#### 9. Going Concern

The charity is in a positive financial position. We have secured sufficient funding to meet its current commitments for this financial year, and meet its reserves policy plus winding up costs. However we are mindful that we need to continue to secure funding to deliver services from 2024-2025. Although funding is secured towards some of this without further successful funding bids we would deplete our reserves below the reserves policy.

We are acutely aware that the Local Government Reform in Cumbria could have some implications for some of our income, but to date we have been reassured by the continued contract albeit not split across the two new Local Authorities.

Therefore these accounts are prepared on the going concern basis.

### Small company provisions

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Approved by the Board on 18 October 2023 and signed on its behalf by:

C Renouf Trustee

#### Trustees' Responsibilities in relation to the Financial Statements

The trustees (who are also directors of Cumbria Family Support Ltd for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and the Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent Examiner's Report to the Trustees of

### **Cumbria Family Support Ltd**

I report on the accounts of the company for the year ended 31 March 2023, which are set out on pages 4 to 18.

#### Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under Part 16 of the Companies Act 2006 and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145 (5) (b) of the 2011 Act; and
- state whether particular matters have come to my attention.

#### Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements for the Year Ended 31 March 2023

#### 1 Accounting policies

#### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### Basis of preparation

The charitable company meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### Going concern

The trustees assess whether the use of the going concern basis is appropriate i.e whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

The Charity has sufficient funding for the 2023-24 financial year.

The trustees have prepared contingency plans if total funding requirements are not met.

Therefore these accounts are prepared on the going concern basis.

#### Fund accounting policy

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Designated funds are unrestricted funds set aside at the discretion of the trustees for specific purposes.

Further details of each fund are disclosed in note 19.

#### Notes to the Financial Statements for the Year Ended 31 March 2023

..... continued

#### Income and endowments

Donations are recognised when the Charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the Charity before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the Charity and it is probable that these conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the grant of probate when the administor/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measured with a degree of reasonable accuracy and the title to the asset having been transferred to the Charity.

Income from Government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Income from investments is recognised on a receivable basis.

Income from charitable activities includes income recognised as earned (as the related goods or services are provided) under contract or where entitlement to grant funding is subject to specific performance conditions. Grant income included in this category provides funding to support programme activities and is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

#### Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Costs of generating funds are the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **Taxation**

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### Fixed assets

Individual fixed assets costing £100 or more are initially recorded at cost.

#### Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Office equipment

25% on a reducing balance basis

## Notes to the Financial Statements for the Year Ended 31 March 2023

...... continued

#### **Trade Debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business. Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the Charity will not be able to collect all amounts due according to the original terms of the receivables.

#### Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### Liabilities

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the Charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

#### Operating leases

Leases in which substantially all the risks and rewards of ownership are retained by the lessor are classified as operating leases. Rentals payable under operating leases are charged in the Statement of Financial Activities on a straight line basis over the lease term.

## Pensions

The charity operates a defined contribution pension scheme. Contributions are charged in the statement of financial activities as they become payable in accordance with the rules of the scheme.

### Financial instruments

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument. Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Charity after deducting all of its liabilities.

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the Charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the Charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the Charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.
